

# Unlock Powerful CMA Capabilities

## New connectMLS Enhancements

### Elevate the Client Experience

The CMA options embedded within **connectMLS™** help build trust by delivering clear, highly customized, visually appealing insights, even for complex data points. With on-demand availability on any device and real-time updates, Agents are equipped with the tools they need to excel in today's fast-paced market and provide unmatched value to their clients.

### Key Features

#### Tailored Presentations

Agents can customize data, visuals, and key insights to suit every client's unique needs. Whether it's detailed charts or polished summaries, presentations are crafted to inspire confidence.

#### Real-Time Adjustments

From in-person meetings to virtual discussions, the CMA options adapt instantly. Seamlessly adjust comps or emphasize relevant data with ease.

#### Mobile Accessibility

Present, refine, and share CMA data directly from smartphones or tablets. Agents stay responsive, professional, and prepared anytime, from any location.

Agents can depend on **connectMLS™** for intuitive, professional solutions that adapt to every scenario.
